STANDING HEARING OFFICER DIRECTIVE

DOCKET NOS. 2014-393-S and 2009-238-S ORDER NO. 2015-9-H

FEBRUARY 19, 2015

Standing Hearing Officer: David Butler

DOCKET DESCRIPTION:

Village Overlook Condominium Association, Complainant/Petitioner v. JACABB Utilities, LLC, Defendant/Respondent

Application of Jacabb Utilities, LLC for Approval of a Contract with The Cliffs at Mountain Park, LLC to Service the Cliffs at Mountain Park Development

MATTER UNDER CONSIDERATION:

Request of Village Overlook Condominium Association (VOCA) and JACABB Utilities, LLC (JACABB) for suspension of all pre-filing deadlines in this matter.

STANDING HEARING OFFICER'S ACTION:

VOCA and JACABB request a suspension of all pre-filing deadlines in this case. The two parties have reached a settlement in principal and are working on a written settlement agreement that will be submitted to the Office of Regulatory Staff, and, ultimately, to the Commission for review. The Office of Regulatory Staff consents to the request.

Commission Order No. 2014-883 combined Docket No. 2014-393-S with Docket No. 2009-238-S for hearing purposes, and the pre-filing dates are the same for both dockets.

Accordingly, the request to suspend pre-filing deadlines in one docket is tantamount to a request to suspend in both dockets. Accordingly, my ruling will be effective for both dockets.

The request is granted. Granting the suspension will allow finalizing a written settlement agreement. Accordingly, all pre-filing dates in these dockets are hereby suspended.

The hearing in both dockets is still scheduled for Tuesday, March 24, 2015 at 10:30 AM at this time until further notice.
